\$50 – Single member

Additional family members \$10 each

Founded in 1957, and originally known as the Brantford Guild of Colour Photography, the Brant Camera Club has a rich tradition of offering its

members instruction, fellowship and a place to share the love of photography.

For 2016-2017 we continue this tradition with a diverse program of guest speakers, workshops and learning nights.

Whether you are new to photography, or it's been a passion for you for many years, there is always room to learn something new. This season, our club is putting an emphasis on learning, with an aim to raise the skill level of its members to new heights through presentations and the sharing of knowledge among members.

With a generous donation of computers from the Family Counselling Centre of Brant, and the club's purchase of a variety of photo editing software, we will encourage more seasoned members to demonstrate their techniques and creative process, so that others may be inspired.

The Brant Camera Club welcomes photographers of all skill levels. Challenge your abilities by entering one of our clinics or competitions. Gain feedback on your images and suggestions to help boost your skills.

The Brant Camera Club is a member of the Canadian Association of Photographic Art.

**2016-17
